

Alpha Company

Mission

Alpha Company, 297th Military Intelligence Battalion plans, coordinates, and executes Geospatial Intelligence, Signals Intelligence, Human Intelligence, and Counterintelligence analysis, production, collection management, and dissemination in support of U.S. Army Central, U.S. Central Command, and other elements as directed. The company also conducts Intelligence Reach and Enterprise Support to Forward Deployed Elements and on order deploys personnel with the Battalion Deployable Intelligence Support Element (DISE).
