**AND FORT GORDON**  
**419 B STREET**  
**FORT GORDON, GEORGIA 30905-5735**

Welcome to the U.S. Army Cyber Center of Excellence and congratulations on your selection to join our team. Please take a moment to view our [CCoE webpage](#) and Welcome Aboard video. This site provides information on a variety of topics helpful to our new employees.

Our goal at the Cyber Center of Excellence (CCoE) is to provide our Soldiers with the high-quality training and technical capabilities needed to fight and win in cyberspace and across the electromagnetic spectrum. The CCoE lives by a People First strategy where we work hard building the future Army while still valuing time with families, friends, and outside interests. We want you to thrive at the CCoE and therefore are creating innovative talent management programs to hire and retain our talent, provide them with exciting career paths, and foster partnerships with our community.

I look forward to having you on our team!

Respectfully,

A handwritten signature in blue ink, reading "Robert V. Kazimer", is positioned below the word "Respectfully,".

Robert V. Kazimer  
Deputy to the Commanding General
